

# GENOA TRANSFORMER © ENABLING BLACKBERRY (GOOD) WORK FOR IBM DOMINO

Available Now. Continue your journey.  
Easy transition from Good for Enterprise or SWS  
to BlackBerry (Good) Work – the safest PIM solution.

With GENOA Transformer ©, we enable companies to continue the logical path of their security strategy with BlackBerry solutions. Existing IBM Domino (Traveler) customers can switch from Good for Enterprise or SWS to the BlackBerry (Good) Work.

Those interested in using IBM Domino, looking for a secure PIM solution for e-mail, calendar, contacts with secure intranet, and file access to corporate data, can use BlackBerry (Good) Work to introduce the most secure PIM solution.
